PolicyManager™ Tips for the General User Vol.3

Accessing Policy, Procedure and Guidelines (PPGs)

There are three ways to access UNM Cancer Centers Policies, Procedures and Guideline.

1. Keyword Search

Under the General Access for Anonymous users select Policies & Procedures in the first box. In the next box type a specific keyword or phrase and click on the search icon.

2. Policies & Procedures link

Clicking on the link will take you directly to the main library.

3. Policy Quick link

In a quick glance, you can see if any **new documents** have been added to your system, if any policies have been **updated**, and if any documents require **attestation** during a specified period of time.
